

ACADEMIC ADVISOR List for Civil Engineering English Program Undergraduate and Graduate Students - Spring 2017/2018

The following tables list academic advisors for all students in the Civil Engineering English Program. It is the responsibility of, and compulsory for, each student to visit their academic advisors for face to face discussion of their academic performance and registration matters. Although, most of the academic matters are applied and approved online through student portals, students are still expected to consult their advisors for all academic matters (such as withdrawal, add/drop from courses etc) to ensure that they are given the most suitable advice. In the Civil Engineering Department, EMU, it is customary that during the first week of each month students visit their academic advisors to discuss any problems or just to say that everything is fine. Students can also set an appointment with their advisors at any other convenient time.

UNDERGRADUATE STUDENTS ADVISOR LIST

ACADEMIC ADVISORS	STUDENT NUMBER RANGE	Room
Assoc. Prof. Dr. Mustafa ERGİL	<input type="checkbox"/> Students at English Preparatory School but registered ENGL185 or ENGL183. <input type="checkbox"/> New Students	CE 127
